

## **OBO Bettermann: Tradition and innovation since 1911**

We are an independent family company with a tradition stretching back over 100 years and four generations. Our successful development is based on a deep-rooted connection with commerce, the trades, planners and end customers. Our corporate considerations and actions are long-term and embrace change.

OBO Bettermann produces 30,000 articles with 3,600 employees and more than 40 subsidiary companies.

We combine our systems into solutions for your complete project. From office buildings through infrastructure projects to wind power plants. This means that we can offer you the entire electrical infrastructure from a single source.

7 products groups:
